

California Mission Collector Program

Wall Display Application Form

Congratulations on collecting all twenty-one Mission de Oro missions!

Each California mission is a charming reminder of the warm history of the state. Whether located deep in the heart of a bustling city, situated on an overlook above the Pacific Ocean, or enjoying a commanding view of vineyards in Northern California, each historic building has a colorful story to tell.

We are confident the missions will look even more beautiful when displayed in their custom-designed wooden wall display from the Mission de Oro Collection.
